

21 Baillie St.
HORSHAM.
3rd Decr. 1955.

Dear Mrs. Chandler,

I am enclosing piece I have written about the wartime activities and the founding of the Shire Ambulance, mainly obtained from Edmund Burke and wondered if you would be good enough to "vet" this for me and return it as soon as you can.

I seem to remember having written to you on at least one previous occasion and if I do not hear from you this time I will assume that all that is contained in the enclosed is, to the best of our knowledge, correct.

Believe it or not, the Council has been negotiating for a publisher for six months and I hope that this month a tender will be accepted and the work will go on without further delay.

Yours sincerely,

Alan Keubser
SHIRE HISTORIAN.
