

8. Just one or two more. Who ~~was~~ "Kent Park" when Mrs. Sutton was a girl?

9. Was old brick building on right hand side of Glenfern Road, (Chaundy I think) ever Snob's or Minns'?

You may have heard that I have written Cr. Pickett expressing the hope that you and he and I could have a round-table conference so that I could read out what I have written and you can pick faults with it. I will be down at Xmas and was hoping for such a get-together then. Do hope you'll be good enough to join in, as I feel you know so much about the district and I have the rough draft of Scoresby ready, too.

Sorry this is so badly typed but it is very late at night and I've "had" it!

Again many thanks for your help.

Kindest regards to you both.

Yours sincerely,

Alan Baulson

P.S. To save you as much
writing as possible,
could you just
put "I's the answer,
as I know what
I've asked you.
